Undisputed Authority.

The United States Dispensary says:
 that "Osons are a stimulant, diuretic
 and expectorant; they increase the
 appetite and promote digestion." The
 juice made into syrup as in Dr. Gunn's
 Onion Syrup, has a specific action on
 the throat, lungs and air passages, it
 not only cures coughs, colds, croup
 and consumption, but its stimulating
 effect, strengthens and builds up the
 system afterward. As a tonic and
 restorative it has no equal. We so-
 licit a trial in the most chronic and
 stubborn cases. Price 50cts. Sold by
